

Open Charity Golf Day

Friday 30th September at Blankney Golf Club

The Charity

The Lincolnshire Provincial Grand Lodge of Mark Master Masons is raising money for the Mark Benevolent Fund 2018 Festival, to help the MBF fund **Mobile Chemotherapy Units**, provided by the Hope for Tomorrow Charity, the Lincolnshire Unit being the first of these. Owned and maintained by the Charity and operated by highly trained NHS staff, these well-equipped Units allow cancer patients to receive treatment in a restful environment closer to home, saving stressful long distance travel and minimising waiting times.

The Day

The day is a **Texas Scramble** competition, with prizes (number depending on number of entries, but at least to fourth place and will include best ladies, best mixed and best effort!) and a two course meal to follow. The kitchen will be open in the morning for coffee, tea and breakfast. Prize giving will follow as soon as the last group is in and we hope you will make every effort stay for it. The maximum handicap for men is 24 and 30 for ladies (higher handicap players are welcome, but will have to play to these limits). The team score will be gross score of the team over 18 holes less 10% of the combined exact handicaps. Each player must have their drive chosen on three occasions with the remaining holes being free choice. All scores will count on the 7th and 18th. Entry is £25 per person, which will include a meal and players should be entered as a team. **This represents great value for money as the Green fee alone is usually £36 per person (£44 at a weekend).**

In addition to the competition, there will be a raffle, challenges and refreshments to help the day be even more fun and we hope you will have a great day as well as supporting this worthy cause. This is open to Masons and non-masons alike, so please feel free to invite your friends as, at the end of the day, the more that play then the more we will raise for this great cause.
